

ON THE EDGE

Jane Jesmond

On the Edge is a surprising story filled with twists and turns that kept me on the edge of my seat. It's a great debut. Jen has climbed all her life, but she's given all that up now – apparently. When she wakes up drugged and dangling off the local lighthouse, she needs to use her skill once more. But how did she end up there? She's convinced someone wants her dead – and this story will keep you guessing. After reaching the final page, I spoke to the author, Jane Jesmond, to find out more (read the Q&A at livingnorth.com), and you could win a signed bookplate copy of the book on our website.
